

**REMARKS**

In response to the Office Action dated February 23, 2005, the Applicants have attached a Terminal Disclaimer. Claims 1, 13, 15, 17 and 32-40 are in the case. Reexamination and reconsideration of the application, as amended, are requested.

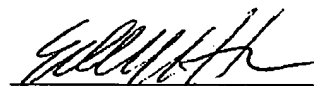

The Office Action rejected claims 1, 13, 15, 17 and 32-40 under the judicially created doctrine of obviousness-type double patenting.

In response, the Applicants have attached hereto a terminal disclaimer in compliance with 37 CFR 1.321. Consequently, the rejections are moot and the Applicants submit that the rejection is overcome.

In view of the arguments and amendments set forth above, the Applicants respectfully submit that the rejected claims are in immediate condition for allowance. The Examiner is therefore respectfully requested to withdraw the outstanding claim rejections and to pass this application to issue. Additionally, in an effort to expedite and further the prosecution of the subject application, the Applicants kindly invite the Examiner to telephone the Applicants' attorney at (818) 885-1575. Please note that all correspondence should continue to be directed to:
